## Independent Businessman Tom Berryhill Announces Campaign for Stanislaus County Supervisor

*Receives Supervisor Dick Monteith's endorsement*

Modesto, CA – Independent small businessman Tom Berryhill announced his campaign for Stanislaus County Supervisor for the District Four seat being vacated by retiring Supervisor Dick Monteith.

“I’m very honored to have the endorsement of current District Four Supervisor Dick Monteith,” said Berryhill. “I’ll work hard to fill his very large shoes.”

A fourth generation Central Valley farmer and currently a State Senator, Berryhill has represented Stanislaus County in the California Legislature since 2006. He’s been praised by the California Chamber of Commerce for efforts to cut government waste, construct more water storage facilities and improve the job climate in the state.

“We must get our fair share of the tax dollars we send to Sacramento so we increase county public safety resources and adequately fund traffic relief projects,” said Berryhill. “And, I’ll fight against the liberal elitists who want Stanislaus County to shelter violent, undocumented criminals from deportation,” added Berryhill.

In addition to Supervisor Monteith, Berryhill’s endorsements for County Supervisor include Stanislaus County Supervisors Jim DeMartini and Kristin Olsen. He’s also been endorsed by Stanislaus County Sheriff Adam Christianson.

“I’m honored to have the support of so many Stanislaus County leaders,” added Berryhill. “I look forward to working with them to protect Stanislaus County.”

As a state legislator, Berryhill authored successful legislation cracking down on metal theft – a serious problem costing farmers, businesses, local government and public schools millions of dollars per year in property damage. He also wrote a measure that would end the frivolous environmental lawsuits that cost Central Valley jobs.

During his time in the Legislature, Berryhill has been recognized by the California Association of County Veteran Service Officers, and awarded the Outstanding Legislator of the Year from the California Small Business Association, the California Sheriffs’ Association, and the California Rifle and Pistol Association. Tom and his wife, Loretta, live in Modesto with their daughter.
